

## **DISCLAIMERS**

### **GENERAL**

This report is not directed at, or intended for distribution to or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation or which would subject Exotix USA Inc, Exotix Limited and its subsidiaries and affiliates (collectively "Exotix") to any registration or licensing requirement within such jurisdictions. All material presented in this report, unless specifically indicated otherwise, is under copyright to Exotix.

Information has been obtained from sources believed to be reliable; however, Exotix does not warrant its completeness or accuracy except with respect to any disclosures relative to Exotix and the analyst's involvement with any issuer of securities covered in this report. Opinions and estimates constitute our judgment as of the date of this material and are subject to change without notice. The recipient of this report must make its own independent decisions regarding any securities or financial instruments mentioned herein.

The analysis and recommendations contained herein are the opinion of the research analyst writing the report (or the research department) and may not be reflective of the opinion of the firm or all of its associated, non-research personnel. Depending on individual conditions, certain trade strategies may not be appropriate for certain institutional clientele and the firm's sales traders may have differing strategies and trading rationales than are outlined in the analyst opinion.

### **OTHER DISCLOSURES**

For securities recommended in this report in which any member of Exotix is not a market maker, Exotix usually provides bids and offers and may act as principal in a riskless principal capacity in connection with such transactions. Exotix is a regular agent in traded financial instruments linked to securities that may have been recommended in this report. Exotix may, at any time, hold a trading position (long or short) in the shares of the companies discussed in this report and may engage in securities transactions in a manner inconsistent with this research report and, with respect to securities covered by this report, will buy or sell from customers on a riskless principal basis.

Officers of Exotix may have a financial interest in securities of the issuer(s) or in related investments. Exotix conducts a full-service brokerage business in various parts of Europe, South America, the US and Asia. Exotix Limited may have investment banking and other business relationships with a substantial percentage of the companies covered by our fixed income research department.

Exotix Limited may seek investment banking or other business from the companies referred to in this research. The research analysts, strategists, or research associates principally responsible for the preparation of this research report have received compensation based upon various factors, including quality of research, investor client feedback, stock picking, competitive factors, firm revenues but not specific to

any investment banking revenues. The research personnel may conduct site visits from time to time but are prohibited from accepting payment or reimbursement by the any subject company for any costs or visits.

Exotix and/or its employees not involved in the preparation of this report may have investments in securities or derivatives of securities of companies mentioned in this report, and may trade them in ways different from those discussed in this report.

Exotix and its affiliate companies do business that relates to companies covered in its research reports, including specialized trading and riskless principal or principal trading, and investment services. Exotix sells to and buys from customers the equity securities of companies covered in its research reports on a riskless principal basis.

Our salespeople, traders, and other professionals may provide oral or written market commentary or trading strategies to our clients and our proprietary trading desks that reflect opinions that are contrary to the opinions expressed in this research.

Securities recommended, offered, or sold by any member of Exotix are subject to investment risks, including the possible loss of the principal amount invested. Although information has been obtained from and is based upon sources we believe to be reliable, we do not guarantee its accuracy and it may be incomplete or condensed. All opinions and estimates constitute the best judgment of our research department as of the date of the report and are subject to change without notice. We have no obligation to tell you when opinions or information in this report change apart from when we intend to discontinue research coverage of a subject company. If this is a fundamental research report, it is our intention to provide research coverage of this issuer, subject to applicable quiet periods and capacity constraints.

This research report is prepared for general circulation and does not have regard to the specific investment objectives, financial situation and the particular needs of any specific person who may receive this report. Because of the nature of our client base, our institutional customers have independent determination of investment decisions and should not rely solely on the research of Exotix for making an investment determination. This report is not intended as an offer or solicitation for the purchase or sale of a security. Any decision to purchase securities mentioned in this research must take into account existing public information on such security or any registered prospectus. Investors should consider this report as only a single factor in making their investment decision. The reports reflect the different assumptions, views and analytical methods of the analysts who prepared them. For the avoidance of doubt, any views expressed in this report reflect the views of the analyst indicated and may not necessarily represent the views of Exotix or its affiliates. The value of and income from your investments may vary because of changes in interest rates or foreign exchange rates, securities prices or market indexes, operational or financial conditions of companies or other factors. There may be time limitations on the exercise of options or other rights in your securities transactions. Estimates of future performance are based on assumptions that may not be realized.

Foreign currency rates of exchange may adversely affect the value, price or income of any security or related investment mentioned in this report. In addition, investors in securities such as American depositary receipts, whose values are influenced by the currency of the underlying security, effectively assume currency risk.

**Investing in non-U.S. securities:** may entail certain risks. The securities of non-U.S. issuers may not be registered with, nor be subject to the reporting requirements of the U.S. Securities and Exchange Commission. There may be limited information available on foreign securities. Offshore companies are generally not subject to uniform audit and reporting standards, practices and requirements comparable to those in the U.S. Securities of some foreign companies may be less liquid and their prices more volatile than securities of comparable US entities. In addition, exchange rate movements may have an adverse effect on the value of an investment in a foreign security and its corresponding dividend payment for U.S. investors. Net dividends to ADRs, if applicable are estimated, using withholding tax rates conventions, deemed accurate, but investors are urged to consult their tax advisor for exact dividend computations. Investors who have received this report from a member of Exotix may be prohibited in certain states or other jurisdictions from purchasing securities mentioned in this report from a member of Exotix.
